Computational Pathology Fee Schedule

CTP_Branch	Assay_Class	Assay	Fee	Unit
CTP_Computational	Bioinformatics/Data Science	Project collaboration consultation	free (first hour) - $400 after	hour
CTP_Computational	Bioinformatics/Data Science	Bioinformatics analysis support (NGS/Arrays)	$4,000.00	Project Collaboration unit
CTP_Computational	Bioinformatics/Data Science	Bioinformatics analysis support (Digital Pathology)	$4,000.00	Project Collaboration unit
CTP_Computational	Bioinformatics/Data Science	Vectra Polaris: quantification and count matrix generation	$250.00	slide
CTP_Computational	Bioinformatics/Data Science	Digital pathology (H&E: tissue and/or cell segmentation)	$250.00	slide
CTP_Computational	Bioinformatics/Data Science	Digital pathology (H&E: phenotype prediction using deep learning)	$250.00	slide
CTP_Computational	Bioinformatics/Data Science	New/ad hoc analytical workflow development	$4,000.00	Project Collaboration unit
